Accounting Working Papers

Audit working papers are prepared by the audit staff and audit seniors, and are reviewed by audit senior managers and partners. If a reviewer finds that any issues have not yet been addressed, then these issues are delegated to the on-site audit team for action. Reviewers sign and date each page examined. Once an audit has been concluded, the audit working papers are considered legal evidence, and so are appropriately indexed and filed.

Audit working papers - AccountingTools

Work papers are the collection of documents assembled by an auditor while examining the financial records of a client. Work papers provide the evidence upon which an auditor's opinion regarding a client's financial records is based. Work papers are examined as part of a peer review examination, as per the standards promulgated by the relevant standard-setting entity.
