Alpine Guide Pants

The Alpine Guide Pant is built similarly to the Simple Guide pant but is heavier, warmer and has features such as

Access Free Alpine Guide Pants

zippered cuffs and tie down loops that make it more of a serious mountain pant.

Consider this if you are searching for something for winter use primarily.

Patagonia Simple Guide Pant Review | OutdoorGearLab

The alpine guide pants are the best soft-

Access Free Alpine Guide Pants

shell pant that I've ever used for colder conditions. They're durable, articulate, and warm, but they also breathe well for high-output activities. These are what I grab for mountaineering in the Cascades, back country skiing in Utah's Wasatch, or ice climbing in Ouray.
