Alex English, the well-known man-whore of the country club set has always preferred to play the field, eschewing a chance with Miss Right for a satisfying quickie with Miss Right-Now. But after seeing his two older brothers take the plunge, something has been aching inside of Alex, and no amount of casual sex seems to fill the void in his heart.

...

This article is an excellent example of the media perpetrating the Anyone But England myth, you can't even get the Andy Murray context correct - the journalist involved has repeatedly said it was a joke by Murray in response to teasing of Scottish football by Englishmen. Put simply, I don't support England because I'm not English.
