Convertible: My Car (Convertibles) Board book - Amazon.co.uk

A fun book which can be used in multiple ways. The story is very short and simple, but it is more designed to open up their imagination then as a story for ie bedtime. The book folds out easily into a fire engine. The cardboard is strong, but it won't last forever especially with children, but that's the nature of the material.

Amazon.co.uk:Customer reviews: Convertibles: Fire Engine

Convertible Fire Engine book features: • A short story I can read with Pickle about a fire engine on it's journey to help put out a fire and what happens along the way. • He can use his own toys to follow the fire engine, interact with the story and play with the large play mat, which is designed as a village.
