How much does it cost to rebuild a... I have 1997 buell with a harley sportster 1200cc engine in it. It has lost compression to the point that it has only 100psi front cylinder and 50psi rear.

How much does it cost to rebuild a harley engine? | | Expbux

TMS has been performing Harley Engine Rebuilding Services since 1997. Complete engine rebuilds to small performance upgrades 951-296-9377

Harley Engine Rebuilding Services and Performance Upgrades

Harley 45 Engine Stand. I welded up an engine stand for this project, which made working on the motor much easier. It also gave me something to mount the dial indicator to check for crankshaft end play. If you don't have an engine stand, you can lay the engine down on a couple of blocks of wood.

Harley 45 Engine Build

I talked with a couple shops about my rebuild project and discovered that I knew embarrassingly little about the breadth of options for rebuilding a Harley V-twin. To begin with, all sizes of the Twin-Cam engine, 88, 96 and 103 ci can be rebuilt to 103 and even up to 107ci.

Harley-Davidson Ironhead Engine Parts | Dennis Kirk

Full engine rebuild, split cases replace and/or re machine everything, one week. At least that's what we used to do in the shop. But the cost of maintaining tools and inventory to do these jobs has become so much that current model engines are offered as long or short blocks for direct replacement at the dealer level by Harley directly.

How long does it take to rebuild a Harley Davidson engine ...

Re: Complete 80" harley engine rebuild kit? A few years ago I went through the MoFoCo and had the engine on my 1990 FLHS remanufactured at 97,000 miles. I took the bike in to the HD shop, they pulled and sent the engine out and a few weeks later I rode out with what is basically a new motor.
