The Haynes Owner's Workshop Manuals are a series of practical manuals from the British publisher Haynes Publishing Group. The series primarily focuses upon the maintenance and repair of automotive vehicles, covering a wide range of makes and models; the manuals are aimed mainly at DIY enthusiasts rather than professional garage mechanics, as they lack the depth of coverage on particular vehicles or problems. The series includes a range of 'practical lifestyle' manuals in the same style for a ran

Haynes Manual - Wikipedia

The focus in a Haynes manual is on following a specific procedure and explaining why that method is important. Unlike Chilton, Haynes manuals are less model-specific, with some information on multiple versions of a car. Repetitive instructions may be referenced in a single section of the book, requiring the user to flip through.
