National Geographic Readers Great Migrations

The National Geographic Kids books are great for levels 1 and 2. But the pretty pictures and nice smooth paper that give these a magazine feel stop at this level. I was disappointed.

Amazon.com: National Geographic Readers: Great Migrations ...

This exciting reader follows the story of the longest and the most demanding elephant migration on the planet. Living at the furthest corners of the hot and dry Sahara Desert, the very margins of where elephants can survive, hundreds of these great creatures make a dangerous but necessary journey as their main source of food and water dries up and they must go in search of more.
