The Arts and the Creation of Mind - Elliot W. Eisner ...  
The creation also has value because it is a means by which we experience God. Through our interactions with it, we can image God, come to know Him better, and give Him glory. We expect art to express something of the mind of the artist; we should have the same expectation as we engage the creation.

Creation as Art - In All things  
The arts, also called fine arts, modes of expression that use skill or imagination in the creation of aesthetic objects, environments, or experiences that can be shared with others.
